

AY2021/2022, USE2304 Semester 1

ASSIGNMENT 1 (15%) (1300-1500 words)

Please read the following 4 articles:-

1. Catherine Lim article
2. Shirley Lim article
3. Linda Lim chapter
4. Terence Chong article (Management of Success, 2010, 2nd ed)

Write a response essay incorporating ***all 4 readings***. You must read the articles closely and analytically. You must identify common themes and analyze what these sources suggest to you about the state of the debate regarding Singapore's nation-building and identity formation to 2010. Do you think that Singaporeans are now more attached to their nation?

Please submit a soft copy of your essay into FILES, Assignment 1 Submission, and a hardcopy to me (during lecture) on **7 Sept**, Tuesday.

The soft-copy of your essay in Assignment 1 Submission will be assessed by TURNITIN for originality.

Your hardcopy should include a written or typed and **hand-signed** declaration that you have completed this assignment on your own. Please attach the declaration to the hardcopy of your essay. The declaration should read:

"I acknowledge that this research essay is the product of my own work. All materials consulted have been duly cited and credited."

Any essay without the declaration will be returned, ungraded.

The preferred font is Times New Roman, 12. The spacing should be 1.5.

Please write your name and your group number (Wed=1, Fri=2)
